ANGIE AGRAN

I was recommended to Dani over 2 years ago and now could not go to anyone else for a manicure. I have found Dani to be totally professional and so caring about the look and health of my nails. Previously my nails had not responded well to gels, but thanks to Dani's perseverance and her introduction of a regime, they can now take gels and look great. I also love her pedicures. Always helpful in arranging appointments, she even serves a lovely cup of coffee.

Thank you Dani.

SIAN PEPPER

I was looking for a new Bio Gel nail technician and with Dani I have found that and so much more. It's easy to make appointments, the atmosphere is fun and relaxing. The colour choice is great, my nails are in good condition and my gels can last as long as 4 weeks.

So a very happy client!

CARLA

I have been a client of Dani's for the last 5 years. Dani has worked her magic on my nails. They were in poor, weak state when I first arrived due to my previous manicurist. Now my nails are much healthier and stronger. I thoroughly enjoy my visits where I leave with perfect gel nails and a smile on my face!

DON'T FORGET!

THE LOYALTY AND REFERRAL SCHEME IS NOW UP AND RUNNING! ARE YOU TAKING ADVANTAGE OF THIS?
